

## Accommodation at Seezeit

Seezeit Studierendenwerk Bodensee manages 13 halls of residence in Constance with about 2,400 bed spaces. You must apply online for a room in a hall of residence. Rooms are allocated by random selection in a lottery procedure. You will then be informed by e-mail whether we can offer you a room. You can find more information about our residential facilities and the online application on our website at:

## Seezeit's online housing market

In addition to our own rooms, we offer assistance in searching the free housing market. On our website you will find a private accommodation service. Here, new listings from private landlords are posted almost daily:

## Wohnen für Hilfe

In the „Wohnen für Hilfe“ project, students help their landlord with household chores and pay a lower rent in return. More information and current housing offers can be found online at:

## Studi-Ticket

Students enrolled at the University of Constance and the HTWG Konstanz can purchase the Studi-Ticket from the Stadtwerke Konstanz at the beginning of each semester for approximately 60 euros per semester. The ticket is valid for all Constance city bus lines (also to Landschlacht, Switzerland) as well as for the use of the ferry from Constance to Meersburg (incl. bicycle).

With the extended Studi-Ticket of the VHB for an additional fee of approximately 60 euros, public transport is also available in the areas of Allensbach, Radolfzell, Singen, Engen and Stockach.

## Konstanz and surroundings

We recommend that you extend your search for accommodation to the suburbs of Constance (Dingelsdorf, Dettingen, Litzelstetten) and the surrounding area (Meersburg, Reichenau, Allensbach, Radolfzell, Singen). The transport connections are very good and, thanks to the Studi-Tickets of the Stadtwerke Konstanz and the VHB, particularly favorable for students.

## Living in Switzerland

If you want to live in Switzerland, you need a residence or settlement permit. The permit only entitles the holder to a secondary residence in Switzerland. Students must maintain their main residence in Germany.
